Walker Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Brain Sucker, Glenn Wood, Oh no! Granny's had her brain sucked out by an evil lunatic! Is there anyone brave enough to stop him (and hopefully get it back)? Lester Smythe has a black heart (which matches his underwear). He's invented a dangerous brain-sucking machine that steals the goodness from its victims. Despite the best, or is that worst, efforts of his imbecilic henchmen, Lester is ridding the world of all human kindness, one sucker at a time. What a headache! But Lester didn't count on thirteen-year-old Callum McCulloch and his two best friends, Sophie and Jinx. The crime-fighting trio vow to destroy the brain sucker. And nothing will stand in their way. This is a menacing yet hilarious adventure to outwit a dastardly genius. Callum, the main protagonist, is a young, independent teen who uses an amazingly adapted wheelchair. It sits alongside Horowitz's standalone titles like *Granny*, *The Switch* and *Groosham Grange*. It is the perfect potion for boys and reluctant readers. Apps at the ready! The trio have more technology than MI6. They use GPS, iPhones, bugs and parachutes. These modern, James Bond-esque gadgets will resonate with and engage today's children. No-nonsense Sophie is a feisty, non-stereotypical female side-kick. She welds, invents and keeps the mission - and boys - on track.
